# Paragraph Correction

## Answer Key

→ My name is Ali mohammed al-amri and i am twenty-two years old. I am from medina and i am <sup>^</sup>student at yanbu industrial college. my specialisation is Mechanical engineering but my favorite subject is english. On the weekend, I drive back to Medina to be with my Family and friends.

**NB.** Although not important, you might want to point out that whereas Americans say “on the weekend”, British say “at the weekend”.
